*Transaction will enable leading travel nurse staffing company to connect more hospitals and nurses*

**Omaha, NE, San Francisco, and Fort Worth, Texas – June 14, 2017** – TPG Growth, the middle market and growth equity platform of alternative asset firm TPG, today closed its previously announced acquisition of Medical Solutions, a leading provider of healthcare staffing solutions for hospitals across the United States.

On May 8, 2017, TPG Growth announced that it had entered into a definitive agreement to acquire a majority stake in Medical Solutions from Beecken Petty O'Keefe & Company (BPOC). Medical Solutions provides more than 1,600 hospitals around the country with highly skilled and qualified travel nurses. Named several times to Staffing Industry Analyst's annual "Best Staffing Firms to Work For," Medical Solutions is one of the fastest growing travel nurse companies, known for its superior and engaging culture.

TPG Growth has a track record of investing in the healthcare and business services sectors. The platform's healthcare investments span to include Evolent Health, GoHealth Urgent Care, Northstar Anesthesia, and Precision Medicine Group. Last year, TPG Growth partnered Frank Recruitment Group, a global staffing and recruiting business focused exclusively on the enterprise software market.
