

## TPG Announces Pricing of Initial Public Offering

**San Francisco & Fort Worth, Texas—January 12, 2022**—TPG, a leading global alternative asset management firm, today announced the pricing of its initial public offering of 33,900,000 shares of its Class A common stock at a price of \$29.50 per share. Of the offered shares, 28,310,194 shares are being offered by the Company and 5,589,806 shares are being offered by an existing strategic investor pursuant to a registration statement filed on Form S-1 with the Securities and Exchange Commission (the “SEC”). The underwriters will have a 30-day option to purchase an additional 3,390,000 shares of common stock, consisting of 1,775,410 shares from the Company and 1,614,590 shares from the existing strategic investor.

The shares are expected to begin trading on NASDAQ on January 13, 2022, under the symbol “TPG.” The offering is expected to close on January 18, 2022, subject to customary closing conditions.

TPG intends to use approximately 40% of the net proceeds to purchase partnership interests in the TPG operating entity from other existing strategic investors, and the remaining net proceeds it receives to pay offering and reorganization expenses and for general corporate purposes, which may include facilitating the growth of TPG’s existing business and/or expanding into complementary new lines of business or geographic markets. TPG will not receive any proceeds from the sale of shares by the existing strategic investor.
